PARTICIPATION RULES– INTRODUCE A FRIEND

Who can participate?
Every policyholder of Pantaenius Hellas can participate.

Who can be presented?
Corporate or private clients who, in the past 12 months, are not/have not been a client of the Pantaenius Group or have not received an offer from one of the Pantaenius offices. Buyers of the insured's vessel(s) cannot be recommended.

How does it work;
You will receive an one off 10% bonus which is calculated on the first net premium (premium excluding tax and fees) of any hull policy Pantaenius Hellas has concluded following your referral. This bonus is credited to your client account in the month following the end of the quarter in which the new client has settled his/her insurance premium. This amount will be deducted from your next renewal premium.

Please note that we do not pay out this amount to you, but the bonus will be deducted from your next renewal premium .

Every Pantaenius Hellas client can receive a bonus on his/her next renewal premium for every referral that results in the issuance of a Hull insurance policy with Pantaenius Hellas. The bonus amounts to 10% of the premium for the new policy. Please note that the total bonus on the premium for the existing policy cannot exceed 50% of the annual premium, regardless of the number of the referrals. If the amount resulting from the calculation exceeds this limit, the bonus is capped at 50%.

Data Protection
The participant is required to have obtained the individual's written consent for the transfer of his/her personal data to Pantaenius Hellas and Pantaenius Hellas bears no liability for the illegality of such a transfer. Upon explicit request, you have to be able to forward to us the written consent of the potential client.
