

**LOSS OF LICENCE INSURANCE (LOL)**

# COMPREHENSIVE COVER FOR LOSS OF LICENSE?

Bildunterschrift

Every professional and airline pilot knows how important it is to be fit to fly. The normal occupational disability insurance for pilots only offers comprehensive insurance cover in combination with the so-called Loss of License Insurance.

Every professional and airline pilot knows how important it is to be fit to fly. Health problems or even an accident can easily jeopardize the required very good state of health (physical and mental). The resulting loss of license can not only mean the end of a career, but also may have considerable financial consequences.

One-off payments of the agreed sum insured or a monthly pension of up to 50 months can be a great help in such a situation. The normal occupational disability insurance for pilots only offers comprehensive insurance cover in combination with the so-called Loss of License Insurance. This can be concluded for employed pilots as well as freelancers and pays out if you temporarily or permanently lose your license.
