Our hours of business are:-

Monday to Friday (excluding bank holidays) 09:00 until 17:00

## **DIRECTIONS**

On the A38, Exeter to Cornwall, take the exit named "MARSH MILLS" following the signs to (Plymouth) City Centre. Proceed along Plymouth Road, taking the middle lane, which becomes the inside lane on Embankment Road following the river on your left. This lane bears left along Gdynia Way and merges with a lane from the left. Cross to the left hand lane and after passing under a bridge painted with flowers, and then bear left following signs to "Queen Anne's Battery".

Proceed up a short hill and turn right at the traffic lights into Clovelly Road. Where this road bends sharply to the right, do not follow the road but go straight ahead into Marine Place. Take the first left turn into Queen Anne's Battery Marina entrance and approach the leftmost barrier. A board to the left displays the name "PANTAENIUS" and you will see Marine Building ahead of you with Pantaenius on the top storey.

Use the call button for Pantaenius at the barrier for access to the car park and enter the building at the waterfront.
